

GENDRON[®]

TOTAL
SOLUTIONS
FOR
BARIATRIC
PATIENT
CARE

SAFETY.
COMFORT.
DIGNITY.

The Elite Acute Care Bed provides your bariatric patients with all of the above in an easy-to-use design, engineered to allow you to give your patients the best possible care.

Elite Bariatric Acute Care Bed

PATIENT HELPER/TRAPEZE

Transfer, lift and position patients with ease – swings 90 degrees from center for accessibility to the patient and eliminates the need to remove the trapeze from the bed when transferring the patient

CPR FOWLER BACKREST RELEASE

Respond faster to patient needs – lower backrest to flat within six seconds for CPR

FOUR WHEEL LOCK AND STEER

Steer safely and precisely – engage wheel lock and steer at any caster wheel

ADJUSTABLE DECK LENGTH

Ensure the comfort of your tall patients – one touch extension from 84" to 92" long

INTEGRATED BED SCALE SYSTEM

Ensure patient privacy – scale display window rotates to block the view of the information shown on the scale display

CAREGIVER CONTROL

Located at foot end of bed. Any or all hand pendant functions can be locked-out at the caregiver control to restrict patient access.

FEATURES INCLUDE:

- **BED POSITIONING/ ARTICULATION**
Provide proper clinical positioning from Trendelenburg and Reverse Trendelenburg to knee flex and cardio chair – easy-to-use button controls; one button cardio chair positioning and one button return to level positioning
- **OUT OF BED EXIT ALARM**
Alerts you when patient attempts to exit bed – programmable alarm sounds at the bed, with an option to connect to the nurse station

CONTROL PENDANT

Adjust settings confidently even in dark rooms – illuminated controls; five-function, self-storing at head end, left and right side

ADJUSTABLE DECK WIDTH

Transport safely and provide comfort – one touch extension from 39" to 48" to 54" wide

SIDE RAILS

Increase patient safety by preventing patient roll over – protect patients from falls with 17" high side rails

ELITE ACUTE CARE BED – MODEL 5154

FEATURES / SPECIFICATIONS

PATIENT WEIGHT CAPACITY: 1000 pounds
